Joosr : A Joosr Guide to... Get the Job You Really Want by James Caan before purchasing it in order to gage whether or not it would be worth my time, and all praised A Joosr Guide to... Get the Job You Really Want by James Caan:

In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com. We all want to land our "dream job," but in a volatile job market, it can almost seem like we are fighting a losing battle. With a number of equally talented individuals all vying for the same position, the competition is tough. So what can we do to make ourselves stand out and impress employers? *Get The Job You Really Want* encourages a proactive approach to finding employment. There's no need to get disheartened in your search; by following some simple tactics, you will be able to transform your resume, land that interview, and then secure the position you truly want-perhaps with a better package than you could have hoped for. You will learn:

- How to get your resume in the "yes" pile
- The importance of asking questions during the interview process
- Simple tactics to portray your skills, abilities, and expertise so that you secure the position from the offset.
