What are the secrets to achieving success that lasts, and what can you do as a leader to help your team realize this? Learn the key principles of effective leadership from one of the most successful sports teams in the world: the New Zealand All Blacks. Legacy reveals six leadership techniques that the renowned rugby team deems crucial to sustained success and excellence. Their methods will allow a person to guide any team, organization, or business that needs help toward triumph. Find out how to actively shape the character of your team, and build a culture that makes success not only possible, but inevitable. You will learn:

- That there is something more important than talent when it comes to choosing your team members
- How to ensure that your team stays calm in the face of pressure
- Why leading alone is the worst thing you can do for your team.
