Wishcraft by Barbara Sher with Annie Gottlieb: How to Get What You Really Want:

In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com. Many of us look at those who have fulfilled their dreams and think that there must be something special about these people, something that sets them apart: great genius, great riches, or great connections. But the simple truth is that most people who are living their dreams got there with hard work, determination, creative thinking, and a little help from their friends-and Wishcraft will show you how you can get there too. Wishcraft takes you on a journey, from the first spark of an idea, through to having a full and complete set of steps to achieving your goal. Whatever you want, whether it's to become an actor, open your own bakery, or travel the world, the ideas and advice given in Wishcraft will work; the only thing standing in your way is you. You will learn:

- How to discover what you really want from life
- That you can start working toward your goals tomorrow
- The power of asking for help.
