In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com. Are you feeling stuck in your career? Have you been watching your peers get promoted, all the while wondering when it'll be your turn? Stop waiting and start taking action, creating a winning strategy that will help you get the promotion you are after-and fast. When you first started out with your company, progression may have flowed naturally based on hard work and years of service. However, sometimes the next step up feels like an Everest. Your Next Role will help you to shift your thinking, revive your confidence, and take control of your career. Follow the approach within this book and you will be well on your way to getting that promotion. You will learn:

- Why you are not getting promoted and how to resolve those issues
- How to perform for the job you want alongside your existing role
- The art of long-term thinking to inform your short-term goals.
