From Wiley : Active Equity Portfolio Management (Frank J. Fabozzi Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Active Equity Portfolio Management (Frank J. Fabozzi Series):

Active Equity Portfolio Management provides an overview of the philosophies, methodologies, and strategies

involved in attempting to beat the market. The book covers a host of relevant topics including equity benchmarks, equity style management, tactical asset allocation, and the use of derivatives to enhance returns. The contributors include top professionals from leading Wall Street firms, as well as top academics.
