From Asian Development Bank : ADB Annual Report 2014: Improving Lives Throughout Asia and the Pacific (ADB Annual Reports) before purchasing it in order to gage whether or not it would be worth my time, and all praised ADB Annual Report 2014: Improving Lives Throughout Asia and the Pacific (ADB Annual Reports):

The ADB 2014 Annual Report reviews ADB's operations, projects, internal administration, and financial management. It includes the complete financial statements and opinions of independent auditors. Organizational and operational tables are presented in PDF and Excel formats. The report captures ADB at a moment of transition. It reflects ADB's commitment to remain relevant and responsive to the evolving needs of its member countries. It describes

the work ADB undertook in 2014 through the Midterm Review of Strategy 2020 and the Midterm Review Action Plan to make ADB more efficient and effective.
