Jonathan A. Batten, Peter MacKay : Advances in Financial Risk Management: Corporates, Intermediaries and Portfolios before purchasing it in order to gage whether or not it would be worth my time, and all praised Advances in Financial Risk Management: Corporates, Intermediaries and Portfolios:

The latest research on measuring, managing and pricing financial risk. Three broad perspectives are considered: financial risk in non-financial corporations; in financial intermediaries such as banks; and finally within the context of a portfolio of securities of different credit quality and marketability.
