**Jerry M. Rosenberg : Aftermath of the Arab Uprisings: The Rebirth of the Middle East** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Aftermath of the Arab Uprisings: The Rebirth of the Middle East:

The 2011 Arab uprisings are integrated into the movement to create a regional economic community for a potential twenty-eight nations, with nearly 500 million citizens. A reinvented Marshall Plan, supported internationally, is forthcoming. This updated book provides strategic models to develop the organizations required. In the end, stability

and a raised living standard will evolve. As you point out, there is an opportunity to define the future of the Middle East in terms of reconciliation and coexistence rather than confrontation and violence. There are no limits to what can be done if the region's energy and talents can be channeled into creating new opportunities and building a land as bountiful and peaceful as it is holy. — Bill Clinton, former President of the United States  
Praise for Jerry Rosenberg's Nation-Building: A Middle East Recovery Program: To Jerry M. Rosenberg- With much respect for his attempt to organize a great dream. I believe you have addressed yourself to the very foundations which will lie at the heart of the future of the region and I hope indeed that the day is not far off when the plan will be brought to realization. — Shimon Peres, former Prime Minister of Israel [Nation-Building provides] insights into the interplay of underlying variables, encompassing significant regional, global, religious, secular, socio-political, and historical factors, of the permeability of the Middle East. — el-Sayed el-Aswad, Ph.D., The University of Bahrain, Digest of Middle East Studies  
I hope, by drawing on the Marshall Plan, you are able to formulate a blueprint that can succeed in the Middle East. I further hope that you are able to use the Marshall Plan to illustrate to others how such plans have been successful in the past, and how, despite the daunting odds, such a plan could create economic growth, democracy, and peace in our region. I wish you much success in your important work. — Natan Sharansky, former Deputy Prime Minister of Israel
