This book is a practical reflection of one of the all time best sellers, "Think and Grow Rich!" My favorite parts of "Against All Odds" are Chapters 7 8...INSPIRING! A single sound idea changed everything for her and her family. Chapter 11, The Wealth Mindset, is the most powerful chapter of this

book, As a Man or Woman thinks in their heart so is he or she. You'll have to read it for yourself to understand. Another reason I like the book so much is that Mrs Dellinger is very transparent about her journey to success. In other words, she kept it real! It's good to know that someone you can relate to accomplished so much by using principles that are readily available to all of us. All-in-All this book is worth reading several times over! Get your copy, NOW! Mahisha, Thanks for sharing your story! 2 of 2 people found the following review helpful. Thank you for your contribution, you are an amazing example! By PAMELA JOHNSON I believe Mahisha Dellinger has delivered a "best selling" book to the world and we thank you! We can find faith examples, a story of truth and accomplishment, business development, marketing...a true story of dedication, diligence and success! ~How powerful to see such transformation in our generation! What an example for all people, you and old! Mahisha by far exceeds expectations in telling her "truths" in a difficult business environment. Her desire and willingness to share such an intimate story showing us her courage and tenacity in hopes of encouraging not only women around the globe but anyone daring to dream! This book by far exceeds any best selling business book out there today. Here is a reality we can all identify with. Use this to encourage your personal dreams and inspire your teams. You have made my "best seller" list! Thank you for your contribution! my opinion! 2 of 2 people found the following review helpful. With hard work your dreams can come true. By Peggy A. This book was so inspiring, and wish I had had a book like this when I was young and had a child at a young age myself. I always felt you could follow in your parents foot steps or you could change your life for ever and that's just what Mahisha did. Not only did she study and learn every thing she could but she put her mind to good use, and what engery she has to be able to have a family and be a great business women at the same time. What impressed me the most was she shared the tools to make this come alive for someone else, lots of info on how to get into business and to push forth and reach your goals. This book is not only for young women but I think it would also inspire young men, to follow your dreams and make it come true. This book should be a requirement in schools for teenage girls to show them with hard work your dreams can come true. Well done Mahisha Dellinger and hope to see another book from you.....

For Mahisha Dellinger, life in the rough streets of Sacramento, California was paving the way for a lifetime of poverty, despair and dysfunction. But while criminals ran rampant, gangs took over, and her own relatives chose drugs over dreams, Mahisha knew she was destined for something greater. Determined to write a different ending to her story, Mahisha set out to alter her destiny, through college and hard work. But her dreams were bigger than just a 9-5 job and she worked tirelessly to pursue her passion of owning her own hair care business. That dedication and commitment has paid off as Mahisha's company, CURLS LLC, is one of the leading natural hair care companies in the country. Against All Odds chronicles Mahisha's journey from the projects to the penthouse, how she overcame an impoverished beginning to lead a life of wealth, privilege and success....doing a job she loves. Complete with success tips to process in your own life, Against All Odds will show you how to turn your tragedy into triumph, no matter what the odds.
