2 of 2 people found the following review helpful. Hoping for a better worldBy A CustomerThe world is a beautiful place but marred by corruption in many countries. How can we as citizens of the world end corruption in the face of powerful corrupt adversaries, the threat of repercussions and the seemingly "too big" of a problem to solve. Maybe you might find some answers and inspiration here. I certainly have.0 of 1 people found the following review helpful. One StarBy avid readerNever got it.

Corruption is the cancer at the heart of many of the world's problems. It destroys jobs and holds back growth. It fuels instability and terrorism. It traps the poorest in poverty. It even corrodes trust in the sports we love. In this collection of essays leading politicians, activists, journalists and academics begin a global debate about how we can fight back.
