Thomas A. McCafferty : All About Options, 3E: The Easy Way to Get Started (All About Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised All About Options, 3E: The Easy Way to Get Started (All About Series):

1 of 1 people found the following review helpful. Five StarsBy Louis K.Very educational. A must read for investors.0 of 0 people found the following review helpful. Well written bookBy RangeThis is a great book on options. I read this and understand it much better. I have since passed my Series 7 and this book explains what is needed for that test very

nicely!!Be careful, options are very complex and you have the opportunity to lose lots of money.0 of 0 people found the following review helpful. Should receive six stars!By thomas McHughGreat book in impeccable condition delivered early. What more can one ask for?

Discover the Potential of Options for Managing Risk, Profiting from Bull or Bear Markets, and Leveraging Your Investments Thousands of individual traders and investors used the first two editions of Tom McCafferty's All About Options to master every aspect of the options market_and develop strategies for making winning investments. Now revised and updated, the Third Edition of this best-selling guide provides a clear, no-nonsense explanation of the risks and rewards of using options, ranging from options basics to hedging and speculating to options pricing. This new edition of All About Options covers the dramatic changes in technology, world finance, and market conditions that have take place in recent years.
