Scott Frush : Commodities Demystified before purchasing it in order to gauge whether or not it would be worth my time, and all praised Commodities Demystified:

1 of 1 people found the following review helpful. Five Stars By kathy murray was a gift for my husband who love it says thumb up for a beginner 0 of 0 people found the following review helpful. Four Stars By A. C Rucker Very clear and concise.

Confused about commodities? Consult this essential resource Oil, rice, corn, the Euro--commodities these days are hot, and they're getting hotter. This engaging and thorough guide covers all the basics you'll need to profit from today's most active investment classes. Commodities Demystified takes you straight to the heart of the subject, beginning with a discussion on the basic elements of the commodities market. It then introduces you to the various available commodities and investment options, including exchange-traded instruments, futures, and options, and explains the

correlation between inflation and commodity prices. Finally, each chapter ends with a quick-review quiz enabling you to test your knowledge. Designed to provide a thorough education without overwhelming you with complexities and mystifying jargon, this self-teaching guide is exactly what you need to successfully identify and trade commodities in today's market. This confusion-busting guide covers: The fundamentals of the commodities market Different commodity classes and subclasses Finding a reputable commodities broker How to make online trades Strategies for minimizing risk and maximizing profits.

About the Author Scott Paul Frush, CFA, CFP is founder and managing director of Frush Financial Group, a Michigan registered investment adviser, and a former instructor of finance at the University of Michigan.
