This practical guide shows how to build an effective compliance and ethics program that will lower a business's risks and improve productivity.bull; Offers a step-by-step guide to creating and managing an effective compliance program bull; Showcases the latest best practices in a world of ever-changing regulationsbull; Identifies the importance of developing and maintaining a corporate culture of "doing the right thing" and shows how ethical training can improve compliance bull; Features interviews with and best practices from top compliance executives, judges, Department of Justice attorneys, and Archer Daniels Midland informant Mark Whitacrebull; Provides easy-to-understand overviews and recommendations for complying with specific laws

"Although the book is geared toward lawyers, executives, and compliance professionals, all employees, employers, managers, and business owners would benefit from familiarity with the basic compliance and business principles outlined in the book. This book would also be very useful in a classroom setting. It is a well written, easy read that provides an overview of compliance management." - Milwaukee Bar Association MessengerAbout the AuthorNitish Singh, PhD, MBA, MA, is associate professor of international business, director for program innovations and program leader for Certificate in Corporate Ethics and Compliance Management at St. Louis University.Thomas J. Bussen, JD, MBA, Certified in Ethics and Compliance, is a licensed attorney and cofounder and vice president at IntegTree LLC, an ethics and compliance consulting company.
