Talbot Page : Conservation and Economic Efficiency: An Approach To Materials Policy (RFF Natural Resource Management Set) before purchasing it in order to gage whether or not it would be worth my time, and all praised Conservation and Economic Efficiency: An Approach To Materials Policy (RFF Natural Resource Management Set):

First Published in 2011. Routledge is an imprint of Taylor Francis, an informa company.

'A valuable text and reference, highly recommended for advanced undergraduates, and researchers in resource economics...' Choice 'A lucid description of the prodigality with which the United States actually disposes of scarce and non-renewable resources, and of the waste-products resulting therefrom.' American Political Science
