**Richard Youell, Christina Youell : Effective NLP Skills (Creating Success)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Effective NLP Skills (Creating Success):

Neuro Linguistic Programming (NLP) is one of the most powerful communication tools available. It helps you understand what makes people tick, helps you to influence and persuade people and gives you an insight into what really happens when we communicate. Effective NLP Skills, 2nd edition, covers all the NLP models, tools, skills and behaviours you need, and teaches you how to channel this knowledge into improving your performance at work. You will discover how to manage yourself and others, how to use language to get what you want, outcome thinking, how to

build rapport and how to motivate others. With crucial insight into the workings of the brain and essential techniques to enhance your learning, *Effective NLP Skills* is for anyone who wants to utilise the NLP model to get ahead in their career.

General readers, individuals interested in improving their coping and communications skills  
Praise for the previous edition: "There is much to like about *Effective NLP Skills*. . . it gives a thorough explanation of NLP communication skills. . . every chapter is peppered with questions for personal reflection. . . excellent for novices, because it communicates in straightforward plain-talk. . . What's not to like? Nothing!" -Judith Pearson, INLPA, certified NLP Trainer, Executive Director of the National Board of Certified Clinical Hypnotherapists
