Phillip Kalantzis-Cope, Karim Gherab-Martin : Emerging Digital Spaces in Contemporary Society: Properties of Technology before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emerging Digital Spaces in Contemporary Society: Properties of Technology:

Analyzing the relationship between digital technologies and society this book explores a wide range of complex social issues emerging in a new digital space. It examines both the vexing dilemmas with a critical eye as well as prompting readers to think constructively and strategically about exciting possibilities.
