Employability examines the challenges facing students and those already in work in the contemporary employment market. Its practical approach, interspersed with relevant theory, provides useful hints, tips and practical suggestions, making it a must-read for those who want to understand and explore a wide spectrum of employability-related questions and issues. I would recommend this book to anyone who is on the employability journey. --Susan Durbin (05/24/2016) Employability is a comprehensive reference for students of the topic, blended with top tips and industry insights for those seeking to enhance their own career next steps. --Anthony Ainsworth (05/24/2016) Grounded in solid research, Employability is full of thought provoking, challenging and above all practical exercises to support you in whatever stage you are at in your journey into the world of work; whether not yet started, in your first role, or in the middle of a successful career this is an invaluable and helpful guide. --Andy Foster (05/22/2016) Employability examines the challenges facing students and those already in work in the contemporary employment market.
