Maarten van Klaveren, K. Tijdens : Empowering Women in Work in Developing Countries before purchasing it in order to gauge whether or not it would be worth my time, and all praised Empowering Women in Work in Developing Countries:

Presents the outcomes of a major 14-country project aimed at empowering girls and young women. Provides a discussion of their choices in life, comparing factors such as family background, health, education, employment

opportunities and the use of and access to the internet.
