A wonderful step-by-step process to finding success and reaching your dreams (including making lots of money if your dream is a job that typically pays a lot). Everything makes sense and he doesn't condescend. Also, a nice 3 step process to improving your sales writing (copywriting) is included. BUT, Steven Scott isn't the best writer,

talks too much, and uses a metaphor throughout the book that falls flat for me, that would've greatly benefitted with a more vague/widely applicable metaphor, with fewer words to describe the journey. Still, 5 stars for being a book of substance. 0 of 0 people found the following review helpful. one of the best business books out there. By jgault I wish I'd read this book years ago. some very solid strategies that if you incorporate them in your life I'm sure will help anybody else to be successful. Utilizing the strategies enabled the author to create a company that was extremely successful. (American telecast) It's one of the only books that talks about the benefits of partnerships. sure most people have mixed feelings about partnerships and that's only because no one ever teaches you how to find partners. the strategies were based on what was listed in Proverbs and hone down to about 20 really useful strategies that anybody would benefit to know, whether in business or in your personal life. I'm in a business group with the number of people starting up businesses and we are currently going through the book chapter by chapter as part of our get-togethers. I've seen the authors speak and any shared that every time he stopped using the principles that his life would go sideways. He has some amazing stories and it's worth a visit to his website StephenKScott.com. these guys were the king of the infomercials and it seems he knows just what everybody. 3 of 3 people found the following review helpful. Life Changing By Maurice Mpayamaguru When you break it down, this book (like many other motivational guides) states the obvious. These writers don't tell you anything you didn't already know for yourself. - You need to work hard and consistently to succeed. - You need a support group to keep you motivated and to ease the burden of the harder tasks. - Finally, but most importantly. You need to think happy thoughts. Don't say or think anything negative about yourself or your goals, to yourself or anyone you talk to about it. Wait. Did i just distill the book down into three sentences? Seriously, I was impressed with the way this writer managed to take the obvious and make it seem new and fresh and I've started to see results in my own day to day life. Goals are being met, I'm making new and very powerful friends that I would never have met had I not followed the obvious principles set forth so elegantly in this book. Highly recommended.

Unlike any book you've ever read, *Mentored by a Millionaire* is made up of fifteen mentoring sessions in which you will be mentored in the strategies, skills, and techniques used by super achievers who have become the world's most successful men and women. You will be mentored in these sessions by Steve Scott, a man who has not only made millions himself, but has helped dozens of others make millions as well.

From the Inside Flap Unlike any book you've ever read, *Mentored by a Millionaire* is made up of fifteen mentoring sessions in which you will be mentored in the strategies, skills, and techniques used by super achievers who have become the world's most successful men and women. You will be mentored in these sessions by Steve Scott, a man who has not only made millions himself, but has helped dozens of others make millions as well. Now, Scott helps you achieve the same meteoric success by sharing the strategies, techniques, and truths he learned while being *Mentored by a Millionaire*. Scott is living proof that having a great mentor is far more valuable than any formal education. After losing nine jobs in six years, his resume was less than perfect! But then he found a mentor who taught him how to achieve at a higher level than he had ever dreamed possible. These same strategies have been practiced by some of the world's most admired men and women, including George Washington, Thomas Jefferson, Thomas Edison, Henry Ford, Helen Keller, Oprah Winfrey, John D. Rockefeller, and Bill Gates, among many more. *Mentored by a Millionaire* passes along fifteen life-altering strategies that will help you achieve unlimited success. Filled with inspiring case studies, this book will teach you: How average people transform themselves into runaway successes—in any and every field How successful, driven people use vision mapping to turn simple ideas into billion-dollar industries Simple, effective techniques anyone can use to boost their levels of creativity, ingenuity, and persistence Strategies exceptional people use to overcome setbacks and obstacles—no matter how discouraging the circumstances Why people who fear failure miss out on life's greatest opportunities How to turn criticism into your most valuable resource How to achieve more in one day than most people achieve in a month "Actions for Traction" interactive exercises to help you master the strategies and techniques covered Whether your goal is to succeed as an entrepreneur, boost your performance level at work, or overcome personal challenges, *Mentored by a Millionaire* will show you how to turn your dreams into reality. From the Back Cover You've been taught by teachers, now you can be MENTORED by a MILLIONAIRE! When it comes to succeeding, there's an infinite difference between being taught theories in school, and being mentored in specific skills and strategies by someone who has made tens of millions of dollars himself. Steve Scott was a corporate failure until he was mentored by a millionaire. Using the strategies he learned from his mentor, Steve became a multimillionaire entrepreneur who along with his partners built more than a dozen companies from scratch, achieving billions of dollars in sales. Now, step-by-step, he mentors readers in each of the master strategies that have enabled him and countless others to achieve their impossible dreams. "The secret of Steve Scott's wonderful book can be found in the title. These strategies work because you're being mentored by someone from the front lines. This book will be forever around, helping, teaching—mentoring." —Larry King, CNN, Larry King Live "The splendidly organized wisdom in this book is made more attractive by the specific examples Scott uses. It is instantly clear to the reader that these techniques are

within the reach of anyone, and this good news makes it a revelation." ndash;Hugh Downs, ABC News, 20/20 (ret.) "I don't remember whether Horatio Alger was ever cornered to write a book on how to succeed, but at least we have this fun and instructive book by young Mr. Scott. It deserves to be read widely, and my hope for it is that everyone who reads it will become a millionaire." ndash;William F. Buckley Jr., Founder, National

"UNBELIEVABLE! This book should be required reading for every man and woman in America. In this book, Steve Scott not only proves you and your family can achieve your 'impossible dreams,' he takes you by the hand and gives you the knowledge, confidence, and the power to achieve every one!" ndash;Chuck Norris "Steve Scott has captured a very simple but powerful formula for translating one's dreams into reality. The reason this book has so much credibility for me is that I have seen him implement these principles in his personal life to tremendous successndash;professionally, with his family, and in all aspects of his life. This is a must-read book." ndash;Hyrum W. Smith, Vice Chairman of the Board, The Franklin-Covey Company "Steve Scott's phenomenal track record for success in so many different endeavors shows that his principles are universally effective. In this book, he gives you a clear and concise road map to achieving more success than you would even think possible. If you follow it, you're sure to get there." ndash;Dick Clark, Dick Clark Productions

About the Author STEVEN K. SCOTT is the author of A Millionaire's Notebook and Simple Steps to Impossible Dreams. Mentored by a Millionaire is based on his bestselling Nightingale-Conant tape series, which became the number-one selling title of 2002. After failing in nine jobs, Steve discovered the power of partnering and launched more than a dozen multimillion-dollar companies from scratch, cofounding the American Telecast Corporation, which has achieved more than two billion dollars in sales.
