James Kilcullen : Midas Rex in Connemara before purchasing it in order to gage whether or not it would be worth my time, and all praised Midas Rex in Connemara:

While the great Republic of Western Ireland struggles with a shrewd oil man, the richest man in the world moves, with his entourage, into Turla Lodge Hotel in Connemara. But why is he here? No one knows and hersquo;s not saying. When Taoiseach Frank Carney, refuses his demand he threatens to destroy the country. Dandaboy, one of the Little

People (Leprechauns) is shocked. Can he, the Taoiseach and Ulick Joyc, save their country or invite greater disaster by giving the master what hersquo;s demanding?
