**Blaine T Browne, Robert C. Cottrell : Modern American Lives: Individuals and Issues in American History Since 1945: Individuals and Issues in American History Since 1945** before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern American Lives: Individuals and Issues in American History Since 1945: Individuals and Issues in American History Since 1945:

0 of 2 people found the following review helpful. Modern american livesBy Maria3This book so long to come it actually came after my daughter's midterm. I ordered this book for her the second day of classes...Very disappointed

The individuals presented in these narrative biographies significantly, and sometimes decisively, impacted contemporary American life in a wide range of areas, including national politics, foreign policy, social and political activism, popular and literary culture, sports, and business. The combined biographical/thematic approach is designed to serve two purposes: to present more substantive biographical information, and to offer a fuller examination of key events and issues. The book is an ideal supplement for undergraduate courses on The United States Since 1945, as well as for courses on Modern America and 20th Century America.
