Donald B. Pope-Davis, Hardin L. K. Coleman : Multicultural Counseling Competencies: Assessment, Education and Training, and Supervision (Multicultural Aspects of Counseling And Psychotherapy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Multicultural Counseling Competencies: Assessment, Education and Training, and Supervision (Multicultural Aspects of Counseling And Psychotherapy):

0 of 0 people found the following review helpful. Higher EducationBy Winifred RogersThis is the perfect book for my class I'm taking for my Master's degree. Thanks for having this copy available.

In this volume, leading researchers and trainers in multicultural counselling and psychology address the issues of what makes a counsellor multiculturally competent and how to create more culturally competent counsellors. The contributors consider ways to evaluate counsellors for their awareness, knowledge and skills in working with a broad spectrum of populations. Chapters also examine in detail the pedagogical implications of establishing competencies, including training philosophies and models as well as course and curriculum development.

About the Author Derald Wing Sue is professor of psychology and education in the Department of Counseling and Clinical Psychology at Teachers College, Columbia University. He has written extensively in the field of counseling psychology and multicultural counseling/therapy and is co-author of a bestselling book, *COUNSELING THE CULTURALLY DIVERSE: THEORY AND PRACTICE*. Dr. Sue has served as president of the Society of Counseling Psychology and the Society for the Psychological Study of Ethnic Minority Issues and has received numerous awards for teaching and service. He received his doctorate from the University of Oregon.
