Peter Enderwick : Multinational Business and Labour (RLE International Business) (Routledge Library Editions: International Business) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Multinational Business and Labour (RLE International Business) (Routledge Library Editions:

International Business):

Aimed at senior undergraduate and post-graduate students following courses in International Business and Industrial Relations this book examines the labour market effects of multinational business. In reflecting the complexity and dynamism of developments in this area, the book makes clear the need to underpin analysis of the labour market effects of multinational business with conceptual understanding of the theory of multinational enterprise.
