**From Palgrave Macmillan :** **Multinationals in Latin America: Case Studies (AIB Latin America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Multinationals in Latin America: Case Studies (AIB Latin America):

The book deals with cases about the impact of, and interaction between, the different Latin American cultural, economic, legal, and political settings on activities, strategies, structures and decision-making processes of MNCs. The

cases focus on business processes, settings and organizational behavior in Latin America.
