Lucy Heckman : Nasdaq: A Guide to Information Sources (Research and Information Guides in Business, Industry and Economic Institutions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nasdaq: A Guide to Information Sources (Research and Information Guides in Business, Industry

and Economic Institutions):

NASDAQ brings together, in one volume, a comprehensive annotated bibliography of books, theses and dissertations, US Government reports, journal articles, journals and serials, indexes and abstracts, databases, and websites from 1939 to May 2000.

"This new book...is an extensive bibliography of 'books, dissertations, scholarly articles, working papers, empirical studies, newspaper and magazine articles special studies, and government documents' on the Nasdaq... This is a welcomed bibliography joining the two others in the series on the NYSE and ASE...."-Judith M. Nixon, Purdue University, for the "Journal of Business Finance Librarianship About the Author Lucy Heckman is Associate Professor of Business and Economic Library Studies at St. John's University.
