Neal Whitten : Neal Whitten's No-Nonsense Advice for Successful Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised Neal Whitten's No-Nonsense Advice for Successful Projects:

There's no better way to learn the nuts and bolts of a profession than by having a mentor at your side. But most project managers and leaders don't have that advantage—and that's why Neal Whitten wrote this book. Having Neal Whitten's No-Nonsense Advice for Successful Projects on hand is like having a mentor to guide you at every turn in the road. Neal shows you how to avoid a painful learning curve with a set of best practices

for leading consistently successful projects. In this book, Neal distills his 30 years of experience into tips and strategies that are easy to learn and apply to your projects. These strategies will give you a decisive competitive edge in leading projects and working with stakeholders, clients, and team members.
