Franco Fiordelisi, Philip Molyneux, Daniele Previati : New Issues in Financial and Credit Markets (Palgrave Macmillan Studies in Banking and Financial Institutions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Issues in Financial and Credit Markets (Palgrave Macmillan Studies in

Banking and Financial Institutions):

This collection of conference papers presents a contemporary insight into key trends impacting on the global financial sector post crisis and highlights new policy and research areas affecting banks and other financial institutions. The four main themes are: financial crises, credit activity, capital markets and risk management.
