Proven retirement investing advice designed to meet the specific needs of physicians, attorneys, entrepreneurs, and other professionals. In *No One Loves Your Money Like You Do*, financial guru Dr. James B. Jackson guides professionals through the challenge of retirement financial preparedness. Unlike the typical audience for retirement planning guides, these professionals have the luxury of a healthy income and a decent-sized nest egg, but they have large, illiquid assets (in the form of their practice) and complex partnership agreements to navigate. Jackson distills his decades of experience as a CFP (previous to which he was a practicing dentist) into practical, friendly advice for anyone who needs a hand in planning their retirement. Jim Jackson (Charleston, SC) is a Certified Financial Planner, who in the late 1980s founded Jackson Financial Co, Inc., a financial planning and registered investment advisory firm. As a partner in the newly formed JBJ Investment Partners, LLC, he continues to advise clients on investments and retirement planning, overseeing and managing assets for clients from coast to coast.
