Effectively breaks down the keys to success in any career path. Stresses the importance of having confidence within and letting the people around you know that you care. This book will give you the tools to

improve or strengthen your leadership qualities.0 of 0 people found the following review helpful. You Owe it to Yourself to be ON Point!By Aimee CohenI can't recommend this book highly enough, and don't think for a second that you have to be a part of the sport's world to appreciate the wisdom, the life lessons, and the greatest truths about leadership. This book is for everyone and everyone who reads it will have countless "ah-ha" and "light bulb" moments. Pam's brutal honesty and refreshing vulnerability sets her apart as she shares her very personal story..the high and lows, the victories and the disappointments. As a very public figure in a male-dominated industry, you may think you know Pam's story, but in ON Point she finally reveals the well-kept secrets about the private world of Division I athletics. However, everyone can relate to her anecdotes and everyone should take her advice. She speaks from the heart, and is a shining example of strength, resilience, perseverance, and passion. Thank you, Pam!0 of 0 people found the following review helpful. Five StarsBy CustomerGreat reading!! Action steps after each chapter. You can start to make poisitve real changes in your life.

On Point gives you a seat on the bench with one of the nation's top women's basketball coaches. Distilling a 27-year coaching career into crucial lessons, On Point drives home the essence of effective leadership under pressure, stress and times of chaos. On Point delivers the practical knowledge and skills leaders need to achieve success in life and business, using stories from business, the courts, locker rooms, and press conferences. From leading a Big 10 basketball program to coaching high-performing teams in business, leader-focused chapters provide a holistic view of attributes crucial for On Point leadership. On Point leaders will learn to: Master the Front Court ndash; establish the fundamentals that set leaders on the path to winning Build A Strong Bench ndash; develop a team with the right attitude, skills, and strength Dominate At Center Court ndash; integrate the core values of On Point leadership Leverage the Locker Room ndash; influence and motivate individual success Defend Your Back Court ndash; finish strong in your life and your work

From the AuthorI have been blessed and given so much throughout my journey and I have realized my journey has just started. Experiencing so much success as an elite athletic coach, I feel obligated to pass on my knowledge and expertise to others. I have a passion for people and teams in getting them to the next level in experiencing success like I have. I am coaching men, women, young, old, individuals, teams, in athletics and in corporate america - we all do the same thing. People matter and it's about how we can all inspire, influence, and serve others during the process and the journey.nbsp; Connect with me:
