**Michelle Hooper : Online Investing: Everything You Need to Know Explained Simply** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Online Investing: Everything You Need to Know Explained Simply:

3 of 3 people found the following review helpful. Very disappointed  
By Tim B  
Simply put, this book is crap. I read the 5 star reviews and figured I'd try it. This book is nothing more than a collection of haphazardly organized definitions of trading terms. They are poorly edited with many grammatical errors. Wish I could return it. A complete waste of my money.  
0 of 0 people found the following review helpful. Not worth your Money  
By L.S.-11  
I found many terribly misspelled words. Only very basics are taught. I believe it was written for the author's ego. She shouldn't have let it go

to the printers as it was; I suspect she was in too big hurry. You can find a much better book.0 of 0 people found the following review helpful. Great Book! Fun and Easy to read.By Neil OglesbyNice! Im glad I read this book. It taught me alot about things i've heard so much about. Great Book!

The number of people investing online is increasing every year. This is due in large part to the advent of the necessary technology and the pervasiveness of computers. *Online Investing: Everything You Need to Know Explained Simply* will help you become one of the many people who have taken advantage of online investing and show you how to invest wisely. You will learn everything you need to know about market orders, limit orders, stop-loss orders, stop orders, day orders, good-till-cancelled orders, IPOs, DPOs, DRIPs, after hours trading, cash accounts, day trading, Electronic Communication Networks, liquidity, margins, margin accounts, margin calls, investment clubs, minimum maintenance requirements, and rates of return. We will provide you with links to investment resources and indispensable investing tools. In addition, you will learn how to develop a well-balanced portfolio, how to uncover hidden costs of online brokerage firms, how to conduct research, how to make carefully reasoned decisions, how to secure your information, how to avoid investment scams, how to set up stock screens, how to navigate financial Web sites, how to find your investment style, how to choose an online broker, and how to read financial charts. You will discover the truth about online investing, online broker ratings, and the advantages and disadvantages of online investing. You will also be presented with financial software options, such as Microsoft Quicken and Peachtree, to help you track your investments. Whether you are new to online investing or a seasoned pro, you will find valuable information and tips in this book. The easy to understand language makes reading this book not only highly informative but also enjoyable. In no time at all you will be making money through your online investments. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed. This Atlantic Publishing eBook was professionally written, edited, fact checked, proofed and designed. The print version of this book is 290 pages and you receive exactly the same content. Over the years our books have won dozens of book awards for content, cover design and interior design including the prestigious Benjamin Franklin award for excellence in publishing. We are proud of the high quality of our books and hope you will enjoy this eBook version.
