Jay R. Gould : Opportunites in Technical Writing before purchasing it in order to gage whether or not it would be worth my time, and all praised Opportunites in Technical Writing:

1 of 1 people found the following review helpful. A good introduction, A bit outdatedBy Richard DeutschAs someone unfamiliar with the field and wanting to explore it, I found the book to be a good introduction to the field of Technical Writing. However, the material is a bit outdated and should be updated for a realistic picture of today's market.

Write your way to success! Get started in a career that has a promising future and is financially rewarding.
