Elmo Ellis : Opportunities in Broadcasting Careers (Opportunities Inhellip;Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Opportunities in Broadcasting Careers (Opportunities Inhellip;Series):

1 of 1 people found the following review helpful. goodBy E. D. ThomasThis is a good book that explain careers in broadcasting and their requirements. It is easy to read and gets to the point, However when I bought the book I was thinking it was about becoming a dj and if that is what you have in mind this may not be the book for you. I would not say buy this book or not but just know what you are looking for and it may be for you.

The most comprehensive career book series available, Opportunities in . . . explores a vast range of professions.Each

book offers: The latest information on a field of interest
Training and education requirements for each career
Salary statistics for different positions within each field
Up-to-date professional and Internet resources
And much more
