**Gillian Tierney : Opportunities in Holistic Health Care Careers (Opportunities Inacirc;euro;brvbar;Series)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Opportunities in Holistic Health Care Careers (Opportunities Inacirc;euro;brvbar;Series):

1 of 1 people found the following review helpful. Holistic CareersBy Dale LashThis was a little thin on the information. It gives you basic (very basic) info on different modalities (and most of those are the same definition for different ones). If you are looking for what careers are out there for the Holistic Healer I'd advice to look elsewhere.1 of 1 people found the following review helpful. Great for those interested in studying Holistic HealthBy Kenisha

Gardner This book is great for any one who is interested in studying holistic health. It provides you with a description of each type of career involved in holistic health and a list of schools and organizations available for each. 0 of 0 people found the following review helpful. the next will continue to buy By Werner Cotton Does what is supposed to do very good material. I bought these products for my girlfriend's birthday and her and I both were pleasantly surprised! So far I have been very fond of it, will recommend to me around the needs of people. The product meets or exceeds everything in the product description. you won't do better at this price anywhere Thanks for a good product. Excellent little product.

Each book offers: The latest information on a field of interest Training and educational requirements for each career Salary statistics for different positions within each field Up-to-date professional and internet resources
