**James Stinchcomb : Opportunities in Law Enforcement and Criminal Justice Careers Rev. Ed. (Opportunities in ...)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Opportunities in Law Enforcement and Criminal Justice Careers Rev. Ed. (Opportunities in ...):

0 of 0 people found the following review helpful. Not what I thought it Would Be. By Jennifer Khalil I was hoping this book would provide detailed information on careers in Criminal Justice. The book is tiny! It only has a brief summary of a handful of jobs in this industry. There are many careers that are noticeably missing. It lacks detail, content, and any sort of real information. I am glad I didn't pay that much for it. In fact I think the shipping was more than the book itself.

More than 100 opportunities for students and job seekers! The most comprehensive career book series available, Opportunities in...covers a range of professions from acting to writing, and encompasses traditional as well as cutting-edge careers. Each book offers job seekers essential information about a variety of careers within each field and includes training and education requirements, salary statistics, and professional and Internet resources.

From the Back CoverA World of Career Opportunities VGM's Opportunities in . . . series of more than 100 career-specific titles is an invaluable resource for those who want to find out all they can about the professions that interest them. No other series provides such a wide range of comprehensive and current information on virtually every job available. In Opportunities in Law Enforcement and Criminal Justice Careers, you'll find: An informative history of law enforcement, from its beginnings to today's high-tech methods Thorough descriptions of jobs available at the city, county, state, and federal levels, as well as careers in the private sector Authoritative advice on the educational and/or military requirements for today's law enforcers Profiles of many related jobs in the field, including polygraph operator, document examiner, and corrections officer These indispensable guides will tell you everything you need to know in order to make an intelligent and informed decision about your career--and your future.About the AuthorMcGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide
