Donna Brooks, Lynn Brooks : Seven Secrets of Successful Women: Success Strategies of the Women Who Have Made It - And How You Can Follow Their Lead before purchasing it in order to gage whether or not it would be worth my time, and all praised Seven Secrets of Successful Women: Success Strategies of the Women Who Have Made It - And How You Can Follow Their Lead:

17 of 18 people found the following review helpful. A useful book for all working womenBy RennieThe first point

that is interesting about this book is the acceptance of the differences between the attitudes of men and women regarding their obligations at home and at work. Realising how we have been brought up, in a way that makes networking, taking risks or finding mentors much easier for men, is an important step towards changing our own attitudes that stand on our way to achieving our goals. One more point of interest is that the book addresses women not only in the corporate sector, but its concepts can be easily applied to all areas of employment. The book is highly readable, with many examples and success stories. For those of us using vision aids, note that the book's lettering is well thought of, not large print but comfortable, which makes reading less complicated than the usual overcrowded format used in business books. 0 of 0 people found the following review helpful. Three Stars By DS Useful information. 9 of 11 people found the following review helpful. Interesting But Wordy By shopgal The Seven Secrets are thought provoking, but the Brooks sisters take 274 pages to say what could have been said in 100 pages. Also, the chapters veer off topic and spend considerable time discussing unfair treatment of women in the workplace.

Wouldn't you like to know what secrets successful women share? "...it's definitely not too late for any of us to learn now what we need to do." shy;shy; Dr. Donna Brooks For years, professional and business women have been hindered by traditional role models, stereotyped views, and even their own family's attitudes. Despite these barriers, hundreds of women have found the path to success. In this eye-opening book, Donna and Lynn Brooks explore the strategies these women have used to succeed shy;shy; and provide a blueprint any woman can use to achieve success in their personal and professional lives. For every woman who wants to get ahead, Seven Secrets of Successful Women is an essential guide!
