**Gordon M. Hardy : Shaping the Future of Business Education: Relevance, Rigor, and Life Preparation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shaping the Future of Business Education: Relevance, Rigor, and Life Preparation:

In a world economy where rapid change is the only constant, what is the best way for business schools to prepare the leaders of tomorrow? The authors of this volume argue that a broad and rigorous education is needed; one that fuses business knowledge with arts and sciences, technology, and ethical training.
