Roger Kinsky : Shares Made Simple: A Beginner's Guide to Sharemarket Success before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shares Made Simple: A Beginner's Guide to Sharemarket Success:

1 of 1 people found the following review helpful. Simply BrilliantBy DavidThis is a great read for first time investors looking to enter the market as its easy to understand and has some good tips and explanations.

Are you thinking of joining the thousands of Australians profiting from our stock market, but intimidated by the jargon and unsure of where to start? Let Australia's foremost share-investing educator guide you through the simplest ways to

make money from shares -- and how to ensure you protect your hard-earned dollars in the process! *Shares Made Simple* is the essential ground-up investing guide for stock market beginners. Unlike most sharemarket guides, this book explains in simple language all the relevant stock market terms and definitions; includes practical, uncomplicated tips after each succinct section to ensure readers have grasped concepts clearly; and then provides straightforward strategies for profiting on the market -- no expensive financial advisor required! Kinsky covers everything you'll need to get started and get ahead: buying and selling shares, building a portfolio, managing risk, dealing with dividends and how to pick the best stocks.

From the Back Cover *Shares Made Simple* is the essential guide for anyone who wants to make money on the stock market, without all the fuss. Australia's foremost sharemarket educator will show you the simplest and easiest way to profit from shares, while protecting your hard-earned dollars. Including the information you need to know (and nothing more), this book provides straightforward strategies you can use right away -- no expensive financial adviser required! Inside you'll find information on: Buying and selling shares
