Fergus O'Connell : Simply Brilliant: The common-sense guide to success at work before purchasing it in order to gauge whether or not it would be worth my time, and all praised Simply Brilliant: The common-sense guide to success at work:

0 of 0 people found the following review helpful. Simply brilliant...Simply simple...By Tshenolo MotlhalaSimplifies subject matter that has been previously approached and presented in unnecessarily complicated ways. You only see this after reading this insightful and magnificent book. Great job...

Head banging against a brick wall? Nagging problem you just can't solve? You're not the only one. An astonishing number of intelligent people struggle to find solutions to some of the complex, varied and often frustrating problems we face in our day-to-day work. Whether it's a major project, a minor quibble or something in between, a short, sharp dose of Fergus O'Connell's simply brilliant advice gives you the tools to tackle problems head-on and join the few who manage to make common sense common practice. Through seven simple steps you'll learn how to: Break down the complex and think outside the box Look for simple solutions and direct approaches Save yourself time and get results
