I lead management development classes at my place of work and use this book extensively. It provides a solid overview of management issues and provides a lot of practical tips. Great book.2 of 2 people found the following review helpful. a good read and reference material for any managerBy D. BuckinghamThis was a required

textbook for one of my college courses. I found it offered helpful suggestions and guidelines for new managers; a good read and reference material for any manager. 0 of 0 people found the following review helpful. This is a good book rich with new ideas and skills. By Vincent E Inniss This is a good book rich with new ideas and skills. The person I presented to endorse that assessment.. Like most situations its value would be better appreciated when its material is applied to real life cases. A useful addition to one's library.
