Stella Cottrell : Skills for Success: Personal Development and Employability (Palgrave Study Skills) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Skills for Success: Personal Development and Employability (Palgrave Study Skills):

Each chapter encourages students to think reflectively about personal, academic and career goals and to plan a path to success. Rich in activities that develop valuable career skills, this revised and updated third edition has two new chapters on 'Taking charge of your life, learning and career' and 'What do employers really want?'.
s of the 1st edition: "Excellent book, well constructed, a valuable learning resource for students." - Department of Community Studies, Bradford College, UK "This is a fantastic book packed with useful and interactive activities to

enhance performance." - Department of Social Work, Bromley College of Further Higher Education, UK "Clear, concise and excellent layout to make for an easier understanding and read." - Business School, Middlesex University, UK "I have found this book very useful in helping students construct their CVs/ applications. It is a useful teaching tool a self-help guide." - Faculty of Health and Social Work, University of Plymouth, UK
