Tulus Tahi Hamonangan Tambunan : SMEs in Asian Developing Countries before purchasing it in order to gauge whether or not it would be worth my time, and all praised SMEs in Asian Developing Countries:

Analyzing the development of small and medium enterprises (SMEs) in Asian developing countries, the book is based on a survey of key literature and data on SMEs with the focus on; recent development, export performance, main constraints, competitiveness, innovation and technology transfer, and female entrepreneurs.

About the Author TULUS TAMBUNAN is Professor of Economics in Trisakti University, Indonesia. He has published several books on SMEs, including *The Role of Small Scale Industries in Rural Economic Development*; *Development of Small-Scale Industries During the New Order Government in Indonesia*; and *Development of SMEs in Indonesia from the Asia-Pacific Perspective*.
