Project Management Institute : Software Extension to the PMBOKreg; Guide Fifth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Software Extension to the PMBOKreg; Guide Fifth Edition:

Designed to be used in tandem with the latest edition of the PMBOK#174; Guide, this comprehensive volume closely follows the PMBOK#174; Guide's approach to style, structure and naming, while providing readers a balanced view of methods, tools, and techniques for managing software projects across the life cycle continuum from highly predictive life cycles to highly adaptive life cycles. Software Extension To the PMBOK#174; Guide Fifth Edition provides readers with knowledge and practices that will not only improve their efficiency and effectiveness but that of their management teams and project members as well.
