From Palgrave Macmillan : **Sport as a Business: International, Professional and Commercial Aspects** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sport as a Business: International, Professional and Commercial Aspects:

Sport has a number of distinctive characteristics which impact on the extent of its globalization. This book seeks to gain a deeper understanding of the unique development in sports, its governance, its logic of co-creation of value and the advancement of the industry towards internationalisation, professionalization and commercialization
