John Greenwald : Sports Industry (Field Guides to Finding a New Career) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sports Industry (Field Guides to Finding a New Career):

Essential reading for students looking to land a great, new career in the sports industry, this new resource offers many useful features including advice on ways to reach career goals, helpful tips for career changers, interviews with professionals, and much more. It also addresses the concerns of changing careers for different age groups. The careers profiled include: coach; college athletic director; personal trainer; sporting event; manager; sports manager; sports marketer; sports physical therapist; sports promoter; and, umpire/referee.
