**Evelyn U Salvador : Step-by-Step Resumes (Step-By-Step Resumes: Build an Outstanding Resume in 10)**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Step-by-Step Resumes (Step-By-Step Resumes: Build an Outstanding Resume in 10):

2 of 2 people found the following review helpful. Very helpful resource  
By Sam K. I haven't read through the entire book cover-to-cover yet, but I have browsed through quite-a-few pages, and have picked up various ideas that have proved to be very beneficial. Definitely recommend this resource to anyone seeking to, not only, update their resume, but also, enhance it significantly. Meticulously thorough with lots of practical and strategic helps. The format is fairly easy to use. I don't plan on going through each and every page as it will prove to be very laborious. All-in-all, this is a must have for anyone seeking to upgrade their resume to current market standards.  
0 of 0 people found the following review helpful. Five Stars  
By Rowena Winfrey An excellent guide to writing resumes. I replaced our library copy because so many people were requesting it!  
0 of 0 people found the following review helpful. Great book!  
By Robert

ByrdGreat book! Got her cover letter book too. Love them.

An extensive collection of thousands of powerful resume keywords to help readers'squo; resumes stand out in electronic databases.
