Kevin Lichtman, Lynn N. Duke : Stock Detective Investor: Finding Market Gems Online before purchasing it in order to gage whether or not it would be worth my time, and all praised Stock Detective Investor: Finding Market Gems Online:

Click your way to smart, successful investing, with techniques from one of the most beneficial Web sites on the Net

"A lively introduction to the latest investment scams, from phony research outfits to pump-and-dumps."-Worth The market's wild ride of the 1990s and the rise of the Internet have put many investors in an enviously successful position. There are more investing opportunities than ever and quicker access to more information than most people knew existed. And yet there is one downside to the market boom that has grown as rapidly as the Dow-securities fraud. So, how do you get in on the online investing revolution while protecting your nest egg? In Stock Detective Investor: Finding Market Gems Online readers will learn strategies to make smarter investment decisions, spot and avoid scams while cutting through all the babble and hype to find investment goldmines. Containing everything from the 10 warning signs of a securities fraud to a step-by-step outline for doing your own legwork, Stock Detective Investor is a must for everyone who wants to safely and successfully invest online. Kevin Lichtman founded FinancialWeb.com and Stock Detective in 1997 after working in the financial services industry for sixteen years. Financial-Web is the parent company of eighteen different free Web sites. Lynn Duke is a national award-winning journalist who worked for newspapers including the St. Petersburg Times for ten years before joining FinancialWeb.com.

From the Inside Flap Click your way to smart, successful investing with techniques from one of the most popular and beneficial Web sites on the Net The market's wild ride of the past two decades and the rise of the Internet have put many investors in an enviously successful position. Today there are more investing opportunities than ever before and quicker access to more information than most people knew existed. And yet there is one downside to the market boom that has grown as rapidly as the Dow-securities fraud. So, how do you get in on the online investing revolution without losing your shirt-or your nest egg? The answer is just a click away. Since 1997, StockDetective.com has been a unique resource for investors who want to mine the Internet for the most promising-and legitimate-opportunities available. Now, with Stock Detective Investor: Finding Market Gems Online, you'll learn the invaluable research strategies used by the popular Web site and how to apply them yourself. Here you will learn to use stock screens and search engines to spot and avoid scams, and cut through the promotional hype that takes time away from concentrating on finding the real gold mines-and making smarter investment decisions. Providing everything from the 10 warning signs of a securities fraud to a step-by-step outline for doing your own legwork, and much more, Stock Detective Investor is an easy-to-read must-have for anyone who wants to safely, successfully, and efficiently invest online. From the Back Cover Praise for STOCKDETECTIVE.COM "A lively introduction to the latest investment scams, from phony research outfits to pump-and-dumps."-Worth "One vigilante site worth checking out is www.stockdetective.com. It flags the most egregious stock promotions currently swirling around the Internet and attempts to educate investors about the fraudsters."-Forbes "The site is a valuable online tutorial in how to avoid online fraud. It is designed to make it easy for investors to key up suspect companies, learn how to protect themselves from shady characters, and take action if they believe they have been taken."-Moneydaily.com Please visit our Web site at www.wileyfinance.com About the Author KEVIN LICHTMAN founded FinancialWeb.com and StockDetective.com in 1997 after working in the financial services industry for sixteen years.
