CustomerVery good book for beginners who want to get some type of true idea of the stock markets and how it works.

All you need to know about buying and selling stocks! Too often, textbooks turn the noteworthy details of investing into tedious discourse that would put even a hedge fund manager to sleep. Stock Market 101 cuts out the boring explanations of basic investing, and instead provides hands-on lessons that keep you engaged as you learn how to build a portfolio and expand your wealth. From bull markets to bear markets to sideways markets, this primer is packed with hundreds of entertaining tidbits and concepts that you won't be able to get anywhere else. So whether you're looking to master the major principles of stock market investing or just want to learn more about how the market shifts over time, Stock Market 101 has all the answers--even the ones you didn't know you were looking for.

"If one of your personal goals this year is to learn more about investing, yoursquo;ll definitely want to check out Cagan's Stock Market 101 hellip; .Shersquo;s at her inspirational best when taking on the narrative voice of wise, encouraging mentor hellip; .Yoursquo;ll find yourself learning more than you may have expected. Read Stock Market 101 if Yoursquo;ve been too overwhelmed by just the thought of educating yourself about investing to even choose a book to try first." nbsp; (Better Investing Magazine)About the AuthorMichele Cagan, CPA, has worked as a financial planner, accountant, and tax advisor, assisting both individuals and small business owners. She is the author of several personal finance and business books, including Investing 101, The Everything Accounting Book, Streetwise Structuring Your Business, Streetwise Business Plans with CD, and Streetwise Incorporating Your Business.
