Michael Owen Jones : Studying Organizational Symbolism: What, How, Why? (Qualitative Research Methods)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Studying Organizational Symbolism: What, How, Why? (Qualitative Research Methods):

0 of 0 people found the following review helpful. of scholarly interest only, but valuable in that sense By K. E. Longof

interest to scholars and few othersexcellent product, just what I needed, at a fair price, from a great seller. very satisfied0 of 0 people found the following review helpful. Excellent!By Claudette V. ChirinosThis material will be used for my dissertation research. Thank you, for your prompt delivery.

Analyzing the way organizations work through the study of the symbols connected to them, this book will be of interest to anyone involved in organization studies.The author discusses the most obvious symbolic aspects of organizations - corporate logos, office sizes, use of titles - as well as focusing on the more subtle aspect of expressive forms of symbolism such as storytelling, institutional jargon and workplace personalization, among others. He carefully defines organizational symbolism and then explains the various methodologies that assist the researcher in documenting them. Finally, the author examines the symbolism inherent in doing research on organizations.
