**Stephen Newton : Success as a Coach: Start and Build a Successful Coaching Practice** before purchasing it in order to gage whether or not it would be worth my time, and all praised Success as a Coach: Start and Build a Successful Coaching Practice:

What does it take to be a successful coach? Assuming that you already possess the right skills, characteristics and training then success simply lies in finding and winning clients that you can coach successfully. Personal fulfilment and profitable fee revenue will be direct results. Unfortunately this isn't as simple as it might seem. Success as a Coach

is your complete guide to business development whether you're newly qualified or an experienced coach. It covers all the crucial factors that will help you build your clients and your business including: finding the right clients; extending your professional network; planning and running meetings; delivering value for the client; calculating fees; structuring and delivering sessions; structuring your business; strategic client leadership and systematically growing your business. Additional downloadable tools and templates will be available from [www.successasacoach.com](http://www.successasacoach.com) on publication.

"An indispensable 'mentor on the desk' for any ambitious coach and an excellent guide on your journey to successfully running your own business."
