Rebecca Corfield : Successful Interview Skills: How to Prepare, Answer Tough Questions and Get Your Ideal Job before purchasing it in order to gauge whether or not it would be worth my time, and all praised Successful Interview Skills: How to Prepare, Answer Tough Questions and Get Your Ideal Job:

4 of 4 people found the following review helpful. Terrible interview bookBy Aaa"Successful Interview Skills" by Rebecca Corfield is one of the lower quality interview-help books available. The first problem is the lack of material. The book does not include many possible interview questions, it gives no advice for asking questions of the interviewers, it does not mention how to handle different types of interviews (i.e. behavioral or case), and it has no resources in the United States.Besides being highly limited, the book is also not very useful and some of the advice is not very good. For example, it recommends responding to "What are your weaknesses?", a common interview question, with saying that you have none! This is terrible advice and will only make you seem conceited. Do not buy this book. Some better choices are How to Interview Like a Top MBA: Job-Winning Strategies From Headhunters, Fortune 100 Recruiters, and Career Counselors and 60 Seconds and You're Hired!.2 of 2 people found the following review helpful. Ridiculous adviceBy Teemu JokinenThis book is absolutely ridiculous. Most of the advice is borderline moronic. As the reviewer before me wrote, the most mind-numbingly idiotic advice comes when the author talks about the best answer on the "What are my weaknesses" question. To actually have the audacity to suggest something as "I have no weaknesses" as the best answer, is just stupendous. The book is filled with similar advice. If not for a comedic relief, I recommend burning all the copies you can find.1 of 5 people found the following review helpful. Should be a purchase for any who want a job greater than flipping burgersBy Midwest Book ReviewThe interview may make or break more people than any other stage of a hiring process. Now in a fully updated and expanded fifth edition, "Successful Interview Skills: How to Prepare, Answer Tough Questions, and Get Your Ideal Job" specifically focuses upon instructing the reader in acquiring and practicing effective coping skills appropriate to the job interview process. From appeasing your employers tastes in competence, first impressions, selling oneself, and keeping one's nerves under control, Rebecca Corfield gives a solid and highly useful guide to job seekers. "Successful Interview Skills" should be a purchase for any who want a job greater than flipping burgers.

Everyone at some point in their life will have to attend an interview. Whether they are applying for a job, a promotion, a training programme or even a college course, the fact remains that a questioning process will occur and the need to create a good impression is essential.Now in its fifth edition, this extremely useful guide shows you how to portray professionalism and confidence and take control of the interview process. Breaking the process down into accessible steps, Rebecca Corfield identifies the ways in which you can prepare for an interview, providing example questions and advice on how to answer them. There are also tips on what employers are looking for, how to make a presentation during an interview and vital information on how you should present yourself so that you make a good and lasting impression.

"[A] solid and highly useful guide to job seekers." -- Midwest Book
